Family and Community Engagement

Needs Statement: Through surveys and focus groups, families offered very positive feedback in regards to school-home communication, the variety of events throughout the school year, and the welcoming attitude of the Segue staff. Many families expressed the need for a structured adult education program believing that would increase parent/family involvement in the Segue community and their child's education.

Objective	Action Steps	Unit of Measure	Responsibility
To increase student achievement by creating a positive relationship with parents/families and the community. **Target 1:** 90% family participation in Segue activities as outlined in the Home School Compact and the Title I Parental Involvement Policy **Target 2:** To create and implement an Adult Education Program		• Sign-in sheets • Feedback from parents and students • Surveys • Family communication logs • Student achievement data • Reflection tool for students	• Family Engagement Coordinator • Administration • Classroom Teachers • Teaching Partners • Guidance Counselor • Families • Community stakeholders • After School Coordinator
A. Shared Accountability	A.1.
